

SI 2025 Part 1 of 4 : Introduction & Overview

This webinar will introduce participants to the SI2025 project and findings from the SI2025 Task Force which reflect predicted changes in health care and GME between now and 2025. Explore the recommendations made by the SI2025 Task Force and the implications for Sponsoring Institutions.

Tuesday
JAN 8
12 - 1 pm EST

2019 CPR Part 1 of 4 : Overview

The updated ACGME common program requirements go into effect July 2019. In Part 1 we will take a tour through CPR sections I through V, discover the differences between residency programs and fellowships, and identify easy changes and those areas that will take a little more time, energy and strategic planning.

Thursday
FEB 7
12 - 1 pm EST

SI 2025 Part 2 of 4 : Changes on the Horizon

The second installment of the SI 2025 series will focus on the following: changes in health care needs; changes in health care delivery, evolution in the health care system and evolution in the role of the physician.

Tuesday
MAR 5
12 - 1 pm EST

Understanding the CLE

The Clinical Learning Environment Reviews (CLER) are in full swing. We all work diligently to prepare for them once we receive notice, however, how can we maintain the utmost compliance throughout the year to create a well working CLE.

Tuesday
MAR 26
12 - 1 pm EST

CPR 2019 Part 2 of 4 : Section I & Section II

Continuing the review of the Common Program Requirements, this second installment will look at the oversight (Section I) and the personnel section (Section II), with a focused discussion about scholarly activity expectations for program directors and faculty.

Thursday
APR 18
12 - 1 pm EST

Building Your Sponsoring Institution - The First 2 Years

This webinar will provide a roadmap for the sponsoring institution regarding the first 2 years after initial accreditation is received. This is a time of build-out of many facets of GME that will be reviewed at the 2 year mark with an ACGME Site Visit. Expert advice on how to prepare for the ACGME Site Visit will be provided in this webinar.

Thursday
MAY 30
12 - 1 pm EST

2019 CPR Part 3 of 4 : Section IV & Section V

In the third part of our CPR 2019 series we will focus on the educational program (Section IV) and evaluation (Section V). This webinar will include a discussion of how the PEC is integral to meeting the requirements in both of these sections.

Tuesday
JUN 18
12 - 1 pm EST

Onboarding the New Coordinator

Coordinators rule the GME world and without a program coordinator, programs quickly fall apart. Ensure your process for bringing on new coordinators is efficient and effective and provides the necessary foundation for success today and beyond.

Thursday
JAN 24
12 - 1 pm EST

Aims and Action Plans

How does one go about developing program AIM statements? What is their purpose in the day to day of the residency program and how do they relate to the APE action plans? These questions will be discussed to guide programs as they move to a "continuous program improvement" model as required by the ACGME.

Thursday
FEB 21
12 - 1 pm EST

Ask Partners - Spring Freebie

Our GME Consultants give you their take on key takeaways, trends and topics from the ACGME conference.

Thursday
MAR 21
12 - 1 pm EST

Onboarding the New Program Director

You've finally found a new program director. Now what? We often assume program directors come to us as a plug-n-play model. Clinically – absolutely. Administratively – sometimes not so much. Learn how to develop a program director orientation and training program that will give your new PD's a solid start in their new role and blossom into GME leaders.

Tuesday
APR 2
12 - 1 pm EST

SI 2025 Part 3 of 4 : GME Evolution, Funding & Future

The third installment of the SI2025 series will take a deep dive into the evolution of GME, uncertainties in GME funding models, and the role of GME in the continuum of medical education. Understand how all will impact the future of GME and what you can do now to prepare.

Tuesday
MAY 7
12 - 1 pm EST

Special Reviews: Helpful not Hurtful

Special Reviews have a negative connotation but are a key component of program improvement. In this webinar, learn how the institution and program should work together to navigate the special review process, and implement a culture of continuous improvement in order to better meet ACGME requirements and the educational needs of residents in preparing for independent practice

Thursday
JUN 6
12 - 1 pm EST
