

ADS Update 2023

Let our experts guide your annual update to the Accreditation Data System (ADS). Not only will they discuss recent changes and correlations to the Annual Program Evaluation, our GME consultants will suggest strategies for tracking ADS/APE data all through the year.

Thursday
JUL 13
12 – 1 pm EST

Building and Assessing the GME Infrastructure

“If you build it, they will come.” This webinar will take a deep dive into the building blocks that provide a strong foundation for the integration of GME into your organization and a successful clinical learning and working environment for trainees, faculty, and staff.

Thursday
AUG 3
12 – 1 pm EST

Exploring Quality Improvement & Patient Safety Ideas as Scholarly Projects

In this session, we will explore Quality Improvement and Patient Safety ideas and how we can turn those into scholarly projects. We will discuss how QI and Research are different, some of the challenges, and possibilities.

Tuesday
SEP 5
12 – 1 pm EST

Clinical Educator Competencies

Clinical Educator Competencies are “Milestones for the Clinician Educator: Finding Your Path” – Come explore this new path with us and where it takes us on our GME journey.

Thursday
OCT 5
12 – 1 pm EST

Strategies for Compliance: Program Level

Work hours, evaluations, procedures logs, patient visits...struggling with how to keep compliance up with residents and fellows? Join us as we discuss strategies, like dashboards, PEC, and visual campaigns. This one includes some great Patners® templates.

Tuesday
NOV 7
12 – 1 pm EST

Site Visit Preparation: Sponsoring Institution

Are you ready for an institutional site visit? The institutional self-study is complete. The next step is the institutional site visit. If it has been some time since your last site visit, you will want to join our GME consultants as they discuss how to prepare for an institutional site visit in the next 2-3 years.

Thursday
DEC 7
12 – 1 pm EST

Using ITE to Restructure Didactics & Board Studies

Do you use your ITE results as a Program Improvement Activity? We'll show you how to use your residents' results to focus your didactic curriculum to improve ITE scores and enhance board preparation. We also discuss building Individual Learning Plans for residents based on ITE performance.

Tuesday
JUL 25
12 – 1 pm EST

Best Practices for GME Remediation

It has finally happened - you must remediate a resident. Join us as we demystify the process, develop successful remediation plans, incorporate monitoring benchmarks, supply ideas for robust documentation and ensure resident progression.

Tuesday
AUG 24
12 – 1 pm EST

The Value of GME

What's the residency program worth? Learn how to build a GME service that adds value to the hospital by supporting its priorities. We will also discuss grants and how to find/write grants to expand the initiatives of the program.

Thursday
SEP 14
12 – 1 pm EST

CLER Update 2023: Why You Should Care

The clinical learning environment (CLE) is more important than ever. We'll explore a decade of CLER data, what it means to our programs and SI's and how we can use lessons learned to improve our learning environments.

Thursday
OCT 12
12 – 1 pm EST

Meet the Experts – Fall Freebie

It's that time of year again! Our team of consultants will give you some of the highlights of what they have seen as the biggest challenges for programs and institutions over the past year and any relevant updates to past webinars.

Thursday
NOV 16
12 – 1 pm EST

Site Visit Preparation: Program

Are you ready for a program site visit? The site visits in 2023 are quite different than in the past. Join our GME consultants as they discuss how to prepare for your next site visit, whether it is 6 weeks or 6 months away.

Thursday
DEC 14
12 – 1 pm EST
