# 2026 Fall Education Schedule

JULY - DECEMBER

## ADS Update 2026: Building Sustainable Pathways for the Past, Present, and Future

Let's explore how accurate, thorough submissions highlight program progress and help avoid citations while building a sustainable pathway for continuous improvement.

**Thursday**  
**JUL 9**  
12 - 1 pm EST

## Culture by Design: Tackling Disruptive Behaviors with HRO Principles

Disruptive behaviors are increasing and can erode clinical site partnerships, faculty engagement, interprofessional support, and the overall program culture. By applying High Reliability Organization principles, programs can foster vigilance, learning, and adaptability to intentionally build a culture that addresses these challenges and strengthens residency training.

**Thursday**  
**AUG 13**  
12 - 1 pm EST

## Research: Back to Basics

"Research: Back to Basics" refocuses your foundation — join us to demystify core concepts like hypothesis framing, data logic, and ethical rigor. Gain clarity, confidence, and actionable insights to strengthen your research practice—no jargon, just impact.

**Thursday**  
**SEP 3**  
12 - 1 pm EST

## Foundations over Fixes: Changing Culture, Structure & Wellness in Residency

Join us for a focused webinar exploring how structural, cultural, and organizational factors fuel burnout in GME—and how we can reimagine them. We'll cover breaking cultural momentum, using recognition and purpose, and designing proactive systems that support transitions and resilience.

**Thursday**  
**OCT 15**  
12 - 1 pm EST

## The Evolving Clinical Learning Environment: Preparing for 2027 and Beyond

The clinical learning environment (CLE) is where education meets patient care. Optimizing the CLE remains central to the success of residency programs. This webinar will provide insights into current and emerging trends shaping the CLE in 2027, allowing institutions to strengthen their CLE to better support learners and patients.

**Thursday**  
**NOV 5**  
12 - 1 pm EST

## GMEC Minutes Demystified: Best Practices for Effective Documentation

Discover strategies to streamline GMEC minutes and ensure compliance. This session will break down key requirements, highlight common pitfalls, and share best practices for clear, effective documentation that supports accreditation and strengthens your committee's oversight role.

**Thursday**  
**DEC 3**  
12 - 1 pm EST

## Conveying the Value of GME Through your AIR

The Annual Institutional Review (AIR) is more than compliance—it's a chance to showcase GME's value. This webinar highlights strategies to turn required data into meaningful insights, engage leadership with evidence of impact, and position the AIR as a tool for advocacy and institutional growth.

**Thursday**  
**JUL 23**  
12 - 1 pm EST

## Milestones & CCC Essentials: Building a Strong Foundation

Understanding ACGME Milestones and the Clinical Competency Committee (CCC) is vital to program success. This webinar explains how Milestones guide assessment and how CCCs turn evaluations into decisions—offering clear examples, practical strategies, and confidence-building insights for program directors, coordinators, and faculty at all experience levels.

**Thursday**  
**AUG 27**  
12 - 1 pm EST

## Balancing the Books: Strategic Approaches to GME Finance

Graduate Medical Education programs are navigating shrinking budgets while managing the financial impact of outside rotations on CMS reimbursement and the challenges of recruiting residents who enter with an established Initial Residency Period. Understanding these pressures is key to sustaining program quality and aligning financial planning with the mission of training tomorrow's workforce.

**Thursday**  
**SEP 17**  
12 - 1 pm EST

## Institutional Policies Unlocked: What Everyone Needs to Know

Clear, consistent policies are the foundation of GME oversight. This webinar demystifies required institutional policies, clarifying ACGME expectations, common pitfalls, and practical strategies. Participants will gain confidence to strengthen frameworks, ensure compliance, and foster accountability and transparency across programs, residents, faculty, and leadership.

**Thursday**  
**OCT 29**  
12 - 1 pm EST

## Meet the Experts – Fall Freebie

It's time for Partners® annual update! Our team of consultants will give you some of the highlights of what they have seen as the biggest challenges for programs and institutions over the past year and any relevant updates to past webinars.

**Thursday**  
**NOV 19**  
12 - 1 pm EST

## Special Review – Dreaded or Dynamic?

An often-misunderstood process, we'll show you why special reviews are less about doom and gloom and more about opportunity, growth, and a tool for program success.

**Thursday**  
**DEC 17**  
12 - 1 pm EST
