

Live Webinars

Live. Open. Engaging.

2025 Spring Education Schedule

JANUARY - JUNE

Digging for Data VII

It seems like the amount of data is never ending...and it is! Join us as we explore data resources for GME and look at how we can use this data to support our everyday work and special projects

Thursday
JAN 9
12 – 1 pm EST

GME Finance – Contracts and Budgeting

This webinar will explore aspects of GME finance related to budgeting in GME, as well as physician contracts for Program Director and faculty roles and the impact on GME finances. Participants will also learn about available resources to better understand aspects of GME funding such as DME, IME and PRA.

Thursday
FEB 13
12 – 1 pm EST

Ask Partners – Spring Freebie

Our GME Consultants will give you their take on key takeaways, trends, and topics from the ACGME Annual Educational Conference.

Thursday
MAR 6
12 – 1 pm EST

GMEC Minutes: Closing the Loop

Want to avoid citations? Just close that loop! Join us to explore the most common errors in GMEC minutes that cause sponsoring institutions to receive citations.

Thursday
APR 3
12 – 1 pm EST

Oh my! I Just Got My ACGME Survey Results. Now What?

Declining trends? Multiple low compliance rates? Unhappy residents and faculty? Let us guide you through a comprehensive approach to analyzing ACGME survey results and developing effective action plans to improve GME programs.

Thursday
MAY 15
12 – 1 pm EST

Complaint Letters – Sink or Swim?

Out of the blue you get the dreaded “ACGME Formal Complaint – Response Requested” email. Don’t panic! Let us take you through a multi-step process for addressing complaint letters designed to explore the reason behind the complaint and provide documentation of corrective action.

Thursday
JUN 5
12 – 1 pm EST

Professionalism – Teaching/Assessing and Documenting

Professionalism concerns are escalating in every profession and medical education is no different. Research tells us that physicians who are required to go through peer review have a history of disruptive behavior that can be traced back to medical school. We will discuss what leads to disruptive behavior, opportunities for prevention, and documentation requirements.

Thursday
JAN 23
12 – 1 pm EST

Professional Development: Staying Interested and Interesting

Professional Development doesn’t have to be dreaded. Join us as we explore how to keep professional development interesting and make others interested in you!

Thursday
FEB 27
12 – 1 pm EST

Effective GME Oversight for Site Visits

Are your programs ready for a site visit? The majority of programs have not experienced a site visit for more than 10 years. Let our experts guide you in setting expectations and provide processes for effective oversight.

Thursday
MAR 27
12 – 1 pm EST

Scholarly Activity: Case Reports

Rare illnesses. Novel approaches and treatments. Join us as we explore the foundations of a good case report.

Thursday
APR 24
12 – 1 pm EST

Oversight of the CLE

The state of our CLEs (clinical learning environments) has a far greater reach than poor survey results or program evaluations. It is essential to the success of our resident, program and patient outcomes. Join us as we look at ways to have meaningful, effective oversight and meet accreditation requirements along the way.

Thursday
MAY 29
12 – 1 pm EST

When am I Supposed to...?

This webinar will take you through the typical GME academic year month by month, quarter by quarter, providing a timeline that coordinators can adapt to their specialties and institutions to develop a calendar to ensure compliance with ACGME and ABOS requirements.

Thursday
JUN 19
12 – 1 pm EST
