

2024-01 Digging for Data VI

Fact or Fiction? Data or Information? We'll learn how to tell the difference, and what it means, as we explore various websites and add to our growing list of GME resources.

Thursday
JAN 11
12 – 1 pm EST

2024-03 Block Diagrams and Faculty Rosters – Decoded

Block diagrams and faculty rosters provide crucial program information to the ACGME. Yet, they also tend to be confusing elements of the annual update to ACGME's accreditation system. Join us as we discuss requirements and best practices for these two elements of accreditation reporting.

Thursday
FEB 8
12 – 1 pm EST

2024-05 The Bermuda Triangle: Milestones, Goals and Objectives, and Evaluations

It can sometimes feel like you've entered the Bermuda Triangle aligning milestones with goals/objectives and evaluations. Come join us to review the requirements and suggestions for leading your program through the maze.

Tuesday
MAR 19
12 – 1 pm EST

2024-07 GME Finance – Part 1

This two-part series will take you through several aspects of GME finance. Part one will focus on the financial and socio-economic impact of GME. Cost of GME, funding sources, including CMS funding and HRSA grants, as well as the community impact of GME will be discussed.

Tuesday
APR 9
12 – 1 pm EST

2024-09 Climate Change and GME – Really?

We know the impact climate change has on us as a society, but what does it have to do with GME? Join us as we explore the effect climate change has on patient care, and the strategies we can use in planning our GME curriculum.

Thursday
MAY 16
12 – 1 pm EST

2024-11 How to Manage Non-Standard Training Programs

Have you been asked to manage other educational programs besides the traditional ACGME accredited residencies or fellowships? We will provide accreditation information about where to find the accreditation requirements. We will also discuss ways to organize and successfully implement the necessary accreditation practices.

Thursday
JUN 6
12 – 1 pm EST

2024-02 Building Faculty Accountability

Faculty accountability is essential to quality GME programs. Join us as we discuss the facets of building faculty accountability. From a faculty manual with job descriptions to a well-articulated annual review of faculty.

Thursday
JAN 25
12 – 1 pm EST

2024-04 Coordinator Wellness – Preparing for the Storm

You have survived interview season, rank order lists are in, and now you wait...not really! Orientation and graduation planning, onboarding and offboarding, credentialing, and preparing for the next academic year are now on the list. How do you get it all done and keep your sanity? You get by with a lot of help from your friends!

Thursday
FEB 22
12 – 1 pm EST

2024-06 Ask Partners – Spring Freebie

Our GME Consultants will give you their take on key takeaways, trends, and topics from the ACGME Annual Educational Conference.

Thursday
MAR 28
12 – 1 pm EST

2024-08 Building Faculty QI Mentors

Quality Improvement and Patient Safety are part and parcel of an effective ACGME program. This session will look at best practices and challenges in building faculty QI mentors to assist programs in meeting and exceeding ACGME requirements on QI/PS engagement and scholarly activities.

Thursday
APR 25
12 – 1 pm EST

2024-10 GME Toolkit

Do you ever wonder if the information shared is being disseminated correctly, in the same manner or even at all? Join us as we explore the benefits of as well as useful tips for creating GME toolkits to fulfill both institutional as well as program requirements.

Thursday
MAY 30
12 – 1 pm EST

2024-12 More Than Just a Lecture – Healthcare Disparities & GME

For the individual trainee, education in healthcare disparities takes many different forms – including 1) experiential; 2) didactics; and 3) review of patient outcome data. For the sponsoring institution, we will provide best practices for GMEC education in healthcare disparities that result in dialogue and goal-setting across the specialties.

Thursday
JUN 20
12 – 1 pm EST
