12 - 1 pm EST

Activating the Power of the PEC

The PEC is more than just work hours, milestones, and survey results, it is the instrument for refining and improving the clinical learning environment. A highly engaged PEC perpetuates an environment where deficiencies are growth opportunities and successes are building blocks for realizing your program's mission. Let us show you how to use your PEC to build leadership skills, enhance faculty development, and accelerate program improvement.

Thursday
OCT 10
