Live. Open. Engaging.

2026 Spring Education Schedule

JANUARY - JUNE

ACGME Survey Prep: Is it that time of year AGAIN?

The ACGME Survey is high-stakes and impacts a program's accreditation. Understanding how to prepare the faculty, fellows and residents for the survey can minimize the horns/halo effect and allow for a more accurate assessment of the entire program. Preparing for the survey can also set the stage for robust action planning for the PEC.

Thursday
JAN 8
12 – 1 pm EST

Digging for Data VIII

New data. New insights. New possibilities. Explore a set of new GME data sources and how you can use them to fuel smarter decisions and lasting improvement.

Thursday
JAN 22
12 – 1 pm EST

Early Intervention: Key to Struggling Learner Success

Struggling learners can be difficult to identify early and easy to delay until problems escalate. This webinar explores proactive strategies that reframe remediation as educational support—helping programs recognize warning signs, apply structured approaches, and guide learners toward growth and success.

Thursday
FEB 12
12 – 1 pm EST

Conducting a Meaningful Annual Program Evaluation

To some, the Annual Program Evaluation is yet another tedious program requirement. This webinar will review the ACGME requirements and reframe perceptions from a tedious task to a meaningful exercise in continuous program improvement.

Thursday
FEB 26
12 – 1 pm EST

Ask Partners® - Spring Freebie

Our GME Consultants will give you their take on key takeaways, trends, and topics from the ACGME Annual Educational Conference.

Thursday
MAR 5
12 – 1 pm EST

Mastering the Program Site Visit: Confidence, Clarity, and Compliance

The notification of an upcoming program site visit strikes angst and fear among program leadership. This webinar will provide a structured approach to preparing for a site visit, from understanding the requirements to the actions necessary to ensure compliance.

Thursday
MAR 26
12 – 1 pm EST

AI for GME Processes, Including Recruitment

In this webinar, we'll explore how AI can streamline GME office operations — from auto-sorting emails and managing calendars to drafting documents, refreshing reports, and powering internal chat support. Learn strategies and tool ideas for automating admin work so your team can focus on mission-critical tasks.

Thursday
APR 2
12 – 1 pm EST

We're All in This Together - Embracing Teamwork in GME

Graduate medical education thrives on collaboration, not silos. This webinar explores how Sponsoring Institutions can strengthen teamwork through intentional interprofessional education, shared goals, and inclusive culture—offering practical strategies to build stronger learning teams, enhance engagement, and align initiatives with ACGME expectations.

Thursday
APR 16
12 – 1 pm EST

ACGME Survey Results - Yay or Nay?

Declining trends? Multiple low compliance rates? Unhappy residents and faculty? Let us guide you through a comprehensive approach to analyzing ACGME survey results and developing effective action plans to improve GME programs.

Thursday
MAY 14
12 – 1 pm EST

Ethics in the Age of AI: Navigating Authorship, Data, and Integrity in Modern Research

Explore the evolving landscape of research ethics in the age of AI. This session unpacks authorship, data privacy, and compliance challenges while offering practical tools for ethical AI use in study design, analysis, and writing.

Thursday
MAY 28
12 – 1 pm EST

Efficient GME in a Time of Increasing Financial Pressure

GME leaders face rising costs and tighter budgets, making efficiency essential. This webinar shares strategies to streamline operations, leverage data, and prioritize high-impact initiatives—reducing administrative burden, strengthening oversight, and demonstrating the value of GME without compromising compliance or educational quality in challenging financial times.

Thursday
JUN 4
12 – 1 pm EST

Professional Development: To Infinity and Beyond

The ACGME requires professional development activities for many in GME. Let's talk about building a professional development program with multiple layers engaging all professionals in GME. This system on ongoing professional development threads education into current activities going beyond the traditional hour-long lectures.

Thursday
JUN 18
12 – 1 pm EST
