

ADS Update – 2025

Let our experts guide your annual update to the Accreditation Data System (ADS). Not only will they discuss recent changes and correlations to the Annual Program Evaluation, our GME consultants will suggest strategies for tracking ADS/APE data all through the year.

Thursday
JUL 10
12 – 1 pm EST

Promoting Interprofessional Education (IPE) in GME

Explore how Interprofessional Education (IPE) equips GME learners with the skills to collaborate more effectively across disciplines. Learn how fostering teamwork through IPE leads to improved healthcare outcomes and prepares future physicians for the complexities of healthcare.

Thursday
JUL 24
12 – 1 pm EST

Keeping all the Balls in the Air During Interview Season

One of the most stressful times of the year for everyone involved is interview season. In this webinar, we will take a deep breath or two and discuss strategies for making sure no balls are dropped, and our sanity remains intact.

Tuesday
AUG 14
12 – 1 pm EST

Scholarly Activity: HealthCare Disparities Projects

Healthcare disparities has seen much needed attention in recent years. Join us as we explore how we can evolve scholarly activities to be more meaningful to our communities by addressing healthcare disparities.

Thursday
AUG 28
12 – 1 pm EST

Using COM's to Expand GME

The additions to the COCA Standard 10 requiring growing and new medical schools to plan for GME slots for 30% of the new positions has created angst in many GME leaders. We will discuss practical solutions for meeting accreditation requirements through collaborations and feasibility analysis.

Thursday
SEP 4
12 – 1 pm EST

It's SI 2025: What now?

In 2017 we were given a road map to 2025 via the Sponsoring Institution. Where do we stand today? What will the SI look like in 2035? Join us as we link SI 2025 to current SI requirements, share best practices, and plan for what SI's may need to adapt to for future success.

Thursday
SEP 18
12 – 1 pm EST

Wellness for the Whole GME World

Wellness isn't just for trainees and faculty. Explore effective strategies to enhance the mental, emotional, and physical well-being of the entire GME workforce, fostering a more resilient and supportive educational environment.

Thursday
OCT 16
12 – 1 pm EST

Understanding ACGME Actions

Ever wonder what all of the accreditation status's really mean and how to avoid receiving an adverse one? Join us as we explore them and how to avoid receiving an adverse accreditation status.

Thursday
OCT 30
12 – 1 pm EST

Special Reviews in 2025

Chains are only as strong as their weakest link. This applies to GME programs too. As an important tool in the GMEC toolbelt, special reviews are an opportunity for support, growth and quality improvement to build a strong GME program. It's not a hand slap, it's a helping hand to help you up.

Thursday
NOV 6
12 – 1 pm EST

Meet the Experts – Fall Freebie

It's time for Partners annual update! Our team of consultants will give you some of the highlights of what they have seen as the biggest challenges for programs and institutions over the past year and any relevant updates to past webinars.

Tuesday
NOV 20
12 – 1 pm EST

Building RMS to Maximize CMS Reimbursement

Complete, accurate IRIS reporting results to maximum CMS reimbursement. The key for programs is to have your rotations fully and accurately defined within your residency management software. This webinar will provide detailed instructions and a template for defining your rotations and accurately allocating resident time between CMS reimbursable activity and non-reimbursable activity.

Thursday
DEC 4
12 – 1 pm EST

Tracking Scholarly Activity – Is there a More Efficient Way to do this?

Explore streamlined processes for effectively tracking and reporting scholarly activities in residency and fellowship programs. Learn best practices to reduce administrative burden while maintaining compliance with ACGME requirements.

Thursday
DEC 11
12 – 1 pm EST
